

SULSA Postdoctoral Prize

Funding Guidelines

Scope

SULSA wish to award outstanding Postdoctoral Researchers whose work shows excellent potential to make an impact in the field of life sciences.

This prize allows exceptional Postdoctoral Researchers to raise their profile in Scotland and have a prestigious award on their CV. It includes a fully funded tour (worth £1,000) of three Scottish universities where the awardee will deliver a seminar and meet with staff to raise their profile around Scotland and develop their independent networks. In addition, the awardee will receive £1,000 of flexible funding to be used at their discretion for attending conferences, buying consumables, attending training courses or visiting collaborators etc.

Eligibility

- Please refer to our **SULSA Funding Eligibility Key** at the end of this document to confirm you are eligible for this call
- Applicants must be a Postdoctoral Researcher in the life sciences and hold a PhD
- Applicants must be based at a SULSA university or institute and work in a PI's laboratory
- This award is **not** suitable for researchers who are setting up their own laboratory
- Their contract must be valid for the duration of the funding (12 months). A letter from your supervisor stating your contract is likely to be extended will be accepted
- Applicants can self-nominate
- It is expected that applicants will be within approximately two years of applying for their first independent position, however we will accept applications from Postdoctoral Researchers at all levels

Funding Information and Conditions

- Your visits must be completed within 12 months of being awarded, or (if less) the duration of your contract at your host institution.
- You must have your application signed by your PI to demonstrate their support.

Judging Criteria

- Research Vision
- Scientific merit and potential
- Publication output and grant funding
- Research impact such as public engagement, policy work, knowledge exchange, etc

Shortlisted applicants will be invited to present a 3-minute thesis style presentation via Zoom to our judging panel. You must be available to present on **w/c 19th May 2025** (your allocated slot will be confirmed after shortlisted candidates have been selected).
